AMI Meter Opt-Out Request

Members who DO NOT want to have an Advanced Meter Infrastructure (AMI) Meter must complete the opt-out form below.

**Please note, only requests received from the account holder will be processed.*

All fields with an asterisk () are required.*

If at anytime you wish to have an AMI meter installed, please contact 763.323.2650

- I am the authorized person on the account and request that Connexus Energy install a non-AMI meter at the service address listed above.
- I understand a monthly fee of \$10 will be added to my bill for the manual metering equipment and process.
- If an AMI meter has already been installed and you would like it removed and replaced with a non-AMI meter, a \$50 trip fee will be charged.

By opting out, I realize any options and/or services enabled by an upgraded meter (special rates, flexible due dates, etc.) will not be accessible to me, and thus I give up the opportunity to participate or take advantage of them.

I understand in the coming weeks, a Connexus Energy technician will be out to inspect my current meter(s). Please be advised, a new non-AMI meter may be installed at that time.

I'm not a robot
